

Bay Area Pinseekers Golf Club Board Meeting

15 March 2022

Present: Shaw, McPeak, Harley, McCurry Patterson, Kagle

1. Discussed filling the remainder of the 2022 tournament slots. McPeak is firming up Eagle Vines 7/7, Corsica Park 8/23 and possibly Peacock Gap, Baylands, Richmond, Spanos or Crystal Springs for the other Aug spot.
2. Finance: Reviewed 2021 briefly. We agreed to acquire a club laptop for Dean's primary use (study how other board members could interface) up to \$1000, due to our positive cash reserve.
3. Getaway: Shaw reported on progress with several clubs. Patterson noted the aeration schedule at Hunters Ranch and Paso Robles GC. Given that, Shaw will look into SLO CC and the aeration at Monarch Dunes. Final dates and courses to be set in the next two weeks.
4. Annual Dinner-Agreed to go back to Zio Freddo's. Patterson will firm up usual terms. First Sunday, 12/4, preferable. Shaw will be watching Queensboro sales. Agreed to look at ordering logo towels for those attending the dinner. Shoes, bags and nice gifts to be the focus along with club logo goods.
5. Patterson suggested we contact vendors in the area about involvement with Youth on Course and shared publicity.
6. Match play discussion: play the ball down-no preferred lies. In 2023 look at mixing up the handicaps in the brackets. Allowing participants over 75 to choose to play from forward tees deferred until 2023. Discuss again then.

Adjourned.
