Bob Harley had the following comments to include on our 2023 season and our upcoming season:

Membership

- 21 losses

- 32 on Wait list, but have almost gone through those, with many not wanting to join because of weekday tournaments and local.
- Good time to talk it up with friends/family if you would like. Limited to 110, but I don't mind a few openings going into 2024

Most Improved

- Doug Olkein 5.5-2.4
- Kenny Langston 16.3-11.8
- John McNelis 16.2-12.3
-

Most Rounds Played

- Elizabeth Riddle 130
- Martin Brady 126
- Dave McLaughlin 112
- Bob Harley 88

Posting

- Some of our members are not posting all their scores. ? How many holes do you need to play to post an 18 hole Match. ?What if you only finish 13, do you post?
- Some of this could be accidental as you are posting to some app that keeps your scores. However, you have to post so it appears in the NCGA and USGA/GHIN systems. Consistent with our bylaws and protects yourself and the field when it comes to tournaments.

A motion to adjourn the meeting was made and seconded without objection.

Respectfully submitted
 Ann Brady
 Secretary/Treasurer
