

FAMILY FUN 2025 September 22 thru September 24 2025

As we begin to thaw out from winter, it's time for us to look ahead to September and all the beautiful golf weather that is ours to enjoy in California. Nowhere is it better than in the Sierras where we have spectacular scenery and picturesque golf courses.

This year we have our sights set on the **Graeagle area**, about an hour north of Truckee on Highway 89 for our group, 3 day, outing. 3 days of amazing golf, September 22 thru September 24.

Most of us will be traveling on Sunday the 21st since our first round is on Monday, is a 10:00 shotgun start at Plumas Pines Golf Resort. Some of you may not be interested in playing all three days, that's fine. You can join us for one, two or all three days. We have a bundled discounted price for Tuesday and Wednesday at Whitehawk and Graeagle Meadows. If you are planning to play all three days the price for Golf only will be \$350. Monday only will be \$140, Monday /Tuesday Combo will be \$275. Monday/Wednesday Combo will be \$260. Tuesday/ Wednesday Combo only will be \$240.

Monday evening, we will have our traditional "**kickoff**" **Dinner** at a nearby restaurant. This is a great opportunity to catch up with old golf friends and get to know our newer members. Some of you may be joined by a spouse, friends or family, and if they are golfers, we welcome them to join in the golf events. Whether they are golfers or not, they are encouraged to join us for Monday night's welcome dinner. We will be scheduling the golf and handling Monday night's dinner arrangements. However, **reservations for your lodging accommodation is your responsibility.**

September is a very popular time in the mountains and **lodging is in high demand**. You can expect to pay a premium for the most desirable units. There are some individual rooms and cabins at Whitehawk Ranch Resort, Nakoma Resort has some rooms (very expensive), a few rooms at The Clio Inn, the Chalet View Lodge may still have some. The most economical lodging is through Graeagle Vacation Rentals where you can find several nice properties right on the golf course with many different combinations of bedrooms, baths and beds. If you are comfortable sharing lodging with other couples or friends, We would recommend exploring their website. Below is some information to help get you started.

September is still 6 months away, but, we would like a show of interest to help with planning as time goes on. Note the dates for our outing in your calendar and at your convenience respond to **Dean McCurry**, dmcc2675@aol.com or (925) 519-8653, with your current intent.

A word to the wise as lodging near our venues is in very high demand, we recommend that if you think you are interested, make your reservations now. Most properties have a liberal cancellation policy (generally into August), so if you later have a change in plans, you can cancel, just make sure you know what the cancellation conditions are.

You don't want to miss this trip! The golf in Graeagle is spectacular.
