

Fellow Pinseekers,

It's been quite a year, hard to believe that we have just 5 golf events left! While that is true, we still have our end of the year annual dinner. As you remember we asked you to 'save the date' **Saturday, December 6th** for this terrific event and you will be glad you did. The evening incorporates a lot of fun, great food, prizes and a silent auction for golf outings all for the benefit of Youth On Course {YOC}.

The evening formally begins at 6:00 at Zio Fraedos in Pleasant Hill, but get there a little early so that you can look over the prize merchandise that will be selected by our club members as well as the golf vouchers donated by local golf courses that can be bid on by silent auction. There will be a cash bar and light appetizers. The plated dinner will begin at around 7:00, your options are Steak, Tuscan Chicken, Petrale Sole or Pasta Primavera (vegetarian option). During the evening the winners of the various club competitions will be recognized, prize money that you may have won will be distributed and a little club business will be taken care of, (as painlessly as possible). **Please remember spouses and guests are encouraged and welcome.** The dinner is a bargain at \$70 per person.

Please help us coordinate this event by promptly notifying Bill Patterson of your intention to attend or not attend by email as well as your menu choice for both you and your guest if applicable. **Steak, Chicken, Petrale Sole or Pasta Primavera - could we make this any easier?** Send your check for the dinner to Bill made out to The Bay Area Pinseekers and please confirm your menu choice when you do.

Please remember on the night of the dinner ***all Youth On Course auction vouchers must be settled by check or cash. No Venmo, credit cards or bitcoin accepted, thank you.***

See you there!

Your Bay Area Pinseeker Board
